PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Superintending Engineer, 5th Division, Omalur, 12th September 1865,
No. 1522; to the Secretary to Government, Department Public Works.

I have the honor to forward, for the sanction of Government, Plan, Specification Report and Estimate, amounting to Rupees 300, for "constructing a ridge ventilator to the roof of the Hospital Serjeant's Quarters at the D Brigade, Royal Horse Artillery," at Bangalore.

Enclosures 3.
1 Plan.
1 Estimate.
1 Specification Report.

2. The Estimate was prepared at the request of Colonel Eaton, Commanding the D Brigade, Royal Horse Artillery, and the Deputy Assistant Quarter Master General, Mysore Division, with the approval of the General Commanding. The building is represented to be very badly ventilated at present. There is only one window on the side, which is insufficient to admit enough of air for all the rooms.

3. The funds for the work might be obtained from the "minor new works" allotment of Bangalore.

Referred to the Military Department.
