MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 12th September 1865, No. $\frac{508}{8991}$; to the Secretary to Government, Military Department, Fort Saint George.

Forwarded to Government for orders on paragraph 4. It has been recommended to repair the Cavalry Gram-godown for the purpose.

From the Officer Commanding Southern Division, Quilon, 5th September 1865, No. 198; to the Quarter Master General, Head Quarters, Ootacamund.

I have the honor to forward, for submission to His Excellency the Commander-in-Chief, an Estimate amounting to Rupees 340, accompanied by a Plan for altering the roof and floor of the old Cavalry Gram-boiling shed at Trichinopoly, to admit of its conversion into a shed for the cover of the Commissariat Transit Carts, and for constructing a mud wall with a coping of tiles round the picket of the Commissariat Bullocks.

2. The cause of this requisition is, that the Commissariat Officer lately applied for the repair of the present Cart-shed in the compound of his Office, this shed was constructed in August 1862, at a cost of Rupees 259-13-3, and the Estimate for the repairs amounted to nearly as much—under these circumstances, considering that the Commissariat occupies a hired building as an Office, it is not advisable to re-construct a Government building on the premises.

3. As regards the mud wall around the Bullock picket, the Commissariat Officer represents that it is urgently required, as, during the prevalence of the high winds, it is impossible to prevent the forage put down for their feed from being blown away, causing waste and inconvenience to the Cattle.

4. I shall be obliged if you will obtain sanction of Government for the present Transit Cart-shed being taken down and the materials disposed of by public Auction or otherwise, as it is useless for any purpose.

ORDER, No. 3530, 22nd September 1865.

The Governor in Council sanctions the measures proposed in the concluding paragraph of the letter, submitted with the foregoing memorandum, being carried out on the completion of the other arrangements adverted to.
