CHEEKANOORNEY,
11th September 1865.

(Signed) F. J. MOBERLY, Lieut.-Colonel, R. E.,
Superintending Engineer, 8th Division.

Proceedings of the Madras Government, Public Works Department,
23th September 1865.

No. 678.

ORDER THEREON, 23th September 1865, No. 2,873.

ACCOUNT, No. 69.

1. As the transactions detailed in the Statement, submitted with the letter from the Superintending Engineer of the 8th Division above recorded, relate to so remote a period as the years 1859-60 to 1862-63, and as the parties by whom the advances were made are no longer in the Public Works Department, there seems but little prospect of any portion of the money being recovered, and the Governor in Council therefore grants authority for the entire amount, viz., Rupees 1,133-2-6, being written off to "profit and loss."

2. Lieutenant-Colonel Moberly has furnished no explanation of the cause of the great delay which has been permitted to occur in submitting this matter for the orders of Government. He will now be requested to supply the omission.

(True Extract.)

I have the honor to enclose a statement of moneys which have been advanced to certain parties named, by men who were connected with the Department as subordinates of one class or another, but who were summarily dismissed or transferred without due endeavour being made by the Officers then in charge, to recover the advances which they had made, but for which they had taken no receipt that could be found.

2. These sums have been extracted from the vouchers of numerous works executed in 1859. 60. 1860. 61. 1861. 62. & 1862. 63 and from the last items for which we can procure no accounts.

3. I beg that Government will be pleased to write them off to profit and loss.
