*Proceedings of the Madras Government, Revenue Department,
25th September 1865.*

No. 507. Read the following Proceedings of the Board of Revenue, dated 11th September 1865, No. 5,614.

Read the following letter from Captain J. F. FISCHER, R. E., Controller of Public Works Accounts, to R. A. DALYELL, Esq., Acting Secretary to the Board of Revenue, dated Madras, 2nd September 1865, No. 2,002:—

SIR,

With reference to Circular instructions from your Board to all Collectors, No. LVI., dated 30th August 1865, I have the honor to request you will be good enough to inform me what is the "usual water rate" levied in this Presidency. From the orders passed by Government on my letter to your address, No. 156, dated 16th May 1865, I understood there was no such rate prevailing here; but it would now appear there is a charge made by Government where water is supplied to dry lands.

Submitted for the orders of Government, with reference to the Order quoted by the Controller. A copy of the Circular referred to is forwarded herewith.

No. 508. ORDER THEREON, 25th September 1865, No. 2308.

Land Revenue.

The Controller Public Works Accounts has nothing to do with the water rate, which he appears to confound with water rents assessed by the Public Works Department in Bengal, and provided for in the Account Manual.
