*Proceedings of the Madras Government, Public Works Department,
29th September 1865.*

No. 717. Read the following Circular from Lieutenant-Colonel C. H. DICKENS, R. A., Secretary to the Government of India, Public Works Department (Civil Works—Miscellaneous), to the Secretary to the Government of Madras, in the Public Works Department, dated Simla, 24th August 1865, No. 81 :—

SIR, The Government of India has observed, in recent cases which have come under its notice, that Officers charged with the execution and supervision of Public Works, including Railways and Irrigation Works constructed by private Companies, have not duly considered the possible injurious effects on existing works, of the construction of new works, or of the failure to maintain in an efficient state other existing works in their vicinity. I am directed to request that the attention of the Officers of the Railway and Public Works (both Imperial and Local) Departments, under the orders of the Government of Madras may be specially drawn to the subject.

(Signed) A. B. SAMPSON,

Assistant Secretary to the Government of India.
