MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

Memorandum from the Quarter Master General, Head Quarters, Ootacamund, 21st September 1865, No. ⁵⁶¹5718; to the Secretary to Government, Military Dept., Fort Saint George.

Forwarded to Government. The Commander in Chief thinks that, under present circumstances, the Barracks being occupied by 40 Artillery Veterans, the erection of the Skittle Alley may be postponed.

From the Officer Commanding Centre Division, Fort Saint George, 18th August 1865, No. 2643; to the Deputy Quarter Master General.

In reply to your letter, No. 8143, dated 16th instant, subject as per margin, I have the honor to report that, when the Skittle Alley for the Artillery in the Fort was applied for, the Artillery Barracks were supposed to be large enough for 100 men; but the Committee ordered in G. O. C. C. No. 111 of 1st December 1864, page 699, have decided that there is only sufficient accommodation in the Barracks for 69 men. Unless therefore His Excellency the Commander-in-Chief wishes to have that number of Effective Artillerymen in the Fort, in lieu of the Detail of Veterans, I recommend that the Skittle Alley should not be erected, till it is decided hereafter where the Battery or Batteries are to be located when they are brought into the Fort.

ORDER, No. 3602, 18th September 1865.
Communicated to the Department Public Works, with reference to Proceedings of Government, No. 3435, dated 29th September 1864.
