The Acting Secretary to Govern-
ment has the honor to return the letter noted in
the margin, together with Plans and Estimate
which accompanied it viz. one for the erection
of additional godowns - the other, for a Port-cochere
to the building occupied by the Superintendent
of the Government Central Museum, and to
inform Colonel Orr that he sees no objection
to the first of those plans. There seems to be no
necessity for the construction of a Port-cochere, nor
was it contemplated in the Proceedings of Govern-
ment 14th December 1864 N^o 1415.
