*Proceedings of the Madras Government, Marine Department,
4th October 1865.*

No. 7. Read the following letter from J. J. FRANKLIN, Esq., Superintendent of Marine, to W. HUDLESTON, Esq., Acting Secretary to Government, Fort Saint George; dated Madras, 28th September 1865, No. 3440.

I had the honor, in my letter of the 14th ultimo, No. 2908, to recommend the appropriation of a sum of 9494 Rupees, being the proceeds of unclaimed Flotsams and Jetsams recovered at or near ports in the Nellore District having no port funds, for the purpose of making roads to two of the ports in this District. The Government were pleased to sanction its disposal as recommended.

Proceedings of 24th August 1865, No. 185.

2. I now solicit permission to make over to the Collector of the Kistna District the sum of Rupees 974-8-0, which amount had similarly accumulated in the District of Gunttoor before its absorption, for the purpose of completing a wharf wall, and a landing place at the tidal lock, in the Fort of Masulipatam, which the Superintending Engineer of the 2nd Division has estimated to cost 972 Rupees. The Collector states that at present there is no landing place to the canal; all boats unload at the Pier head in the creek, but when the canal is opened for traffic and the present temporary bridge removed, there will be no communication between the Fort and the creek.
