*Proceedings of the Madras Government, Public Works Department,
10th October 1865.*

No. 218. Read the following letter from Lieutenant-Colonel J. C. ANDERSON, R. E., Consulting Engineer for Railways, to Major J. H. M. SHAW STEWART, R. E., Under Secretary to Government, Public Works Department, dated Madras, 27th September 1865, No. 474 :—

SIR,

1. I have the honor to report the receipt, on the 18th instant, from the Agent and Manager of the Madras Railway Company, the Store and Workshop Returns for the year 1863.

2. I am at present in correspondence with the Agent and Manager regarding several charges that have been debited to capital. Whatever the result of the correspondence may be, the Returns cannot now be altered; but any adjustments which are found to be necessary can be made in the Returns for 1864. The correspondence will be laid before Government, and in the meantime, I think that I may at once submit to them the usual Statement, exhibiting Receipts, Issues, and Stock in hand.

3. The Returns have been checked, and found to be correct.

4. From column 2 of the Statement, herewith sent, it will be observed that the stock on the 1st January 1863, is entered at Rupees 96,00,307-2-10, instead of at Rupees 100,07,136-3-11, specified in paragraph 7 of my letter to the Chief Secretary, dated the 29th ultimo, No. 429.

Order No. 2,743, dated 18th September 1865. This is explained by the circumstance of the adjustments referred to in paragraphs 8, 9, and 10, of the above letter, having been only partially carried out in the Returns.

5. The receipts during the year amounted to Rupees 88,27,790-15-7, viz. :—
