*Proceedings of the Madras Government, Public Works Department,
11th October 1865.*

No. 240. Read the following letter from W. FRASER, Esq., C. E., Special Executive Engineer, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Mount Road, 2nd October 1865, No. 41 :—

SIR,
1. I have the honor to inform you that the sum of 450 Rupees, granted by Government in their Order No. 1,577, dated 8th June 1865, has been expended, and I have to request that you will be good enough to obtain the sanction of Government to my retaining the services of two of the Draughtsmen until the 31st December next. The whole amount per month asked for is 60 Rupees, or Rupees 180 in all.
2. Having lately seen the plans of the proposed water works along with His Excellency the Governor, you are aware of the progress which has been made towards their completion, and that I fully expect to have them finished by the end of the current month ; but the plans connected with the preliminary Report on the storing of the surplus water of the Adyar, Kuam, &c., and of the Junction Canal, are still to be copied ; I trust therefore that the Government will be pleased to sanction what I now ask for.

No. 241. ORDER THEREON, 11th October 1865, No. 3,012.

ESTABLISHMENT, No. 21.

The Government authorize Mr. Fraser to retain the services of the two Draughtsmen for the period specified.
