entered. This error has crept also into the similar Register of the Fourth Quarter of 1864, lately submitted to the Board. These errors have been duly corrected in the office copies here, and the Clerks who prepared and compared them have been warned to be more careful for the future. The Deputy Collector has expressed his regret that he failed to detect them, and promises to prevent their recurrence.

2. I beg to request that you will be pleased to order these inaccuracies to be corrected in the two Registers now in the Board's office.

1. Submitted to Government with the Board's recommendation, that the charge of Rupees 26,843-9-8, incurred by the Collector of Trichinopoly, as shown in the abstract entered in the margin of his first letter above recorded, on account of land taken for the Railway, be sanctioned.

2. The sum realized by the sale of the materials found on the land was Rupees 131-5-6, so that the net cost to Government was actually Rupees 26,712-4-2.

3. The Government will learn from paragraph 3 of the same letter, that the previous sanction of the Collector was always obtained to the amount of compensation paid in each case.

4. The correction pointed out in the Collector's second letter has been made in the Board's office in the Register B. now submitted.
