No. 1,437.

List of a Bill received from the Superintending Engineer, 6th Division, submitted for the sanction of Government, which exceeds its estimate by more than 5 per cent.

150	9th Sept. 1865.	Repairing Shengan Oday sluice, north bank of Nundalaur.	370 0 0	461 1 6	91 1 6	24½	1863-64.

REMARKS.—The expenditure of Rupees 91-1-6, in excess of the amount of estimate for this work, is principally owing to the difficulty of procuring shutters at the rates entered in the estimate, as also to an increase in the item for baling, the charges for which, from unforeseen circumstances, had risen high. A comparative statement is attached to the Bill, which together with the certificate given at the back of the Bill, fully explain the cause of excess.
