From

COLONEL C. A. ORR, R. E.,

Secretary to the Government of Fort Saint George, P.W.D.,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,

PUBLIC WORKS DEPARTMENT.

SIR,

RAILWAY, No. 23.

No. 2,393, dated 4th October 1865.

1. In reply to your letter No. 789R, dated 8th September 1865, I am directed by His Excellency the Governor in Council to forward the accompanying Proceedings of this Government in the Revenue Department, from which it will be observed that the Parcherry and Latrines at Pothanoor, on the South West Line of Railway, for the conservancy of which the services of two Toties have been entertained, are in the immediate vicinity of the station, and are inhabited and used chiefly by the Railway servants.

2. Under these circumstances, and seeing that there are no Local Funds in the Coimbatore District to which the pay of the Toties can properly be debited, I am to request that sanction may be granted for the charge being continued to be met from Imperial Funds.

I have the honor to be,

Sir,

Your most obedient servant,

(Signed) CHARLES A. ORR, Colonel, R. E.,

Secretary to Government.

*Proceedings of the Madras Government, Revenue Department,
4th October 1865.*

No. 53. Read the following letter from Lieutenant-Colonel C. H. DICKENS, R. A., Secretary to the Government of India, Public Works Department (Railway), to the Secretary to the Government of Madras, Railway Department, dated Simla, 8th September 1865, No. 789 R :—

SIR, In the Statement of fresh charges and alterations, on account of Salaries, Establishments, and Contingencies, sanctioned by the Madras Government, within the amount of the Budget grants during April 1865, and submitted to the Government of India in the Home Department, is an item of Rupees 10 per mensem on account of two Toties entertained at the Parcherry at the Pothanoor Railway Station, with reference to which I am directed to intimate that if, as would appear to be the case, the services of the Toties are needed for conservancy purposes beyond the Station limits, the charge should be met from Local and not Imperial Funds.

Referred to the Revenue Department for consideration with the following papers :—

G. O. in the Financial Railway Department, No. 218, dated 4th April 1865.
Letter to the Government of India, No. 328, dated 7th July 1865.

(Signed) J. H. M. SHAW STEWART, Major, R. E.,
Under Secretary to Government, P.W.D.

FORT SAINT GEORGE,
26th September 1865.

No. 54. ORDER THEREON, 4th October 1865, No. 2,393.

Miscellaneous.

1. The Government observe that there are no Local Funds in the Coimbatore District to which this charge can properly be debited, and that although the Parcherry and Latrines in question are so far beyond the Railway Station limit that they are out side the Station enclosure, still they are in its immediate vicinity, are a consequence of the Station being established there, and are inhabited and used almost entirely by Railway employés.

2. Under these circumstances, and considering how essentially necessary it is for the health of the body of travellers who are detained at this Station for a considerable time, that the greatest care should be observed in maintaining the immediate neighbourhood in as favorable a condition for health as is possible, the Government consider that this petty charge is properly debitable to Imperial rather than to Local Funds.
