No. 399. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 9th October 1865, No. 1,557 :—

the Presidency and for the Executive Engineer of Bangalore : on receipt of this Order a reference was made by this Office to Government to know the authority under which this claim was preferred, and in G. O. of the 27th idem, No. 2,866, it was explained that Rupees 50 was for carriage allowance and Rupees 40 for office allowance to the Officers referred to when not provided with public quarters. I have the honor now to submit the accompanying bill, certificate, and letter from Lieutenant Pennycuik, R.E., for disposal by the Government; it will be seen from these papers Captain Tulloch certifies that no public quarters had been provided for Lieutenant Pennycuik's Office, but there is no Office attached to that Officer, there being but one establishment sanctioned for Bangalore; but if Captain Tulloch meant that his own Office is employed under Lieutenant Pennycuik, and unprovided with public quarters, that Officer himself cannot be considered as entitled to any allowance on this account; double allowance cannot be passed for one and the same establishment under existing orders, Captain Tulloch having preferred his claim for the same.

ORDER THEREON, 17th October 1865, No. 3,093.

ESTABLISHMENT, No. 34.

Under the circumstances brought to notice in this letter, Lieutenant Pennycuik's claim to the office rent of Rupees 40 is inadmissible.
