together with a Survey of the sites selected and demarcated for them, on account of which the Collector reports that Rupees 1,845-3-0 will have to be paid as compensation.

2. The plan of the public Bungalow having already been approved of in G. O. No. 575 of 5th April in the Revenue Department, I have acted on the instructions to take the works in hand. It will, therefore, be necessary to modify Government Order No. 1,934 of 4th July, to an extent sufficient to enable me to prosecute works necessary in themselves, and affording employment to numbers both of Sappers and of convicts, for whom I am expected to provide work. The new road to Coorchy Railway Bridge, sanctioned in G. O. No. 1,059 of 13th April, is likewise under construction, as essential for opening an approach to the Bungalow and encamping ground.

Referred to the Revenue Department. The sum standing to the credit of the Reserve is only Rupees 650.
