I regret to have to report
my inability to send my Administration
Report for the past Official
year so as to reach Government
by the 15th inst in consequence of the
Accounts of the 2nd Range of the
Kistna District not having been
received up to date, notwithstanding
distinct instructions to the Range
Officer, Superintendent Sambiah Setty,
that his accounts for April
should reach the Office by the 7th
May at the latest.

2 Sambiah Setty appears to
be generally punctual in rendering
his accounts and at present I cannot

suggest the Cause of the delay. I
despatched a messenger yesterday
to his Head Quarters, Panpetta, to
enquire into the matter. I hope that
the accounts will be received in a
day or two and I will explain
the Cause of the delay when sub-
mitting my Administration
Report.

I have the honor to be
