*Proceedings of the Madras Government, Revenue Department,
17th October 1865.*

06. Read the following letter from Lieutenant-Colonel F. J. MOBERLY, R. E., Superintending Engineer, 8th Division, to Colonel C. A. ORR, R. E., Secretary to Government, Public Works Department, dated Pulney, 3rd October 1865, No. 1,221 :—

I have the honor to bring to your notice that work is stopped on the Madura Water Project from want of funds, and that it is likely that, if there is much delay, the estimate will again require revision.—See my Number No. 2,129 of December 1864.

I proposed to complete this work during the current official year, and add the balance of estimate in my draft Income Tax Budget; but till now this has not been published, and no funds have been sanctioned.

If the amount, Rupees 8,280, were granted to me, there is every prospect of being able to turn the first freshes (June or July) of 1866 into the town.

Referred to the Revenue Department, with a view to a grant being sanctioned, if possible, from Local Funds.

The Madura Town Water Project was under execution last year from the Income Tax and District Road Funds. During the current year Rupees 888 have been allotted for the works from the unexpended balance of Income Tax grants in the Madura District on the 30th April last. No allotment from Income Tax Funds has yet been assigned to this Presidency for the year 1865-66.

Secretary to Government, P.W.D.
