*Proceedings of the Madras Government, Public Works Department,
24th October 1865.*

No. 600. Read the following Proceedings of the Governor General of India in Council, Public Works Department (Military), dated Simla, the 29th September 1865, Circular No. 93:—

Duties of Inspector General of Military Works.

Read Resolution from Military Department, No. 277, dated 18th September 1865.

RESOLUTION.—The Governor General in Council having, with the sanction of Her Majesty's Government, appointed Lieutenant-Colonel W. A. Crommelin, R. E., to be "Inspector General of Military Works," is pleased now to lay down the position and general scope of the duties of this Officer, as follows.

2. The primary object of this appointment is to afford the Government of India in the Public Works Department, the means of dealing with the immense increase of work in the Military branch arising from the arrangements connected with the provision of improved and permanent accommodation for the troops.

3. The Inspector General will accordingly be attached to the Secretariat of the Government of India in the Public Works Department, and will carry out his duties under the orders of the Government of India. He will be considered as the responsible head of the Military Works Branch of the Public Works Secretariat, and will conduct the whole of the details of business in this branch, subject to the general supervision of the Secretary. He will sign ordinary letters issuing from this branch of the office, conveying the orders of the Government of India; but all correspondence in this branch will continue as heretofore to be addressed to the Secretary to the Government of India in the Public Works Department.

4. With the sanction of the Government of India in the Military Department, the "Inspector General of Military Works" will further act as Consulting Officer to His Excellency the Commander-in-Chief in India, on subjects relating to Military Engineering, Regimental Organization of the several Corps of Royal Engineers serving in India, and matters connected with Military buildings or works regarding which His Excellency may require his aid. The Inspector General will also occasionally, under special arrangements, attend His Excellency on tours of inspection.

5. In matters connected with details of construction, the Chief Engineers may, under general sanction from the Local Governments, correspond direct with the Inspector General of Military Works, who is authorized to dispose of such matters of detail as do not require the orders of higher authority.
