From the Superintending Engineer, 5th Division, Salem, 5th October 1865, No. 1784; to the Secretary to Government, Public Works Department.

I have the honor, with reference to G. O. No. 2740, dated 16th September 1865, to report that the proposed

Cemetery at Bangalore is intended for all classes, and for all denominations of

Christians. The Commissioner of Mysore considers that a moiety of the outlay may legitimately be charged to the Mysore Government. He suggests that the enclosure be separated into two parts: one for Protestants, the other for Catholics.

2. The Commissioner thinks that the Catholic burial ground at Shoolay should be closed.

3. I now request orders on the subject.

From the Executive Engineer, Bangalore, 25th September 1865, No. 488; to the Deputy Assistant Quarter Master General, Mysore Division.

The Government having asked the question whether the new Cemetery is required exclusively for the Troops or likewise for the general community at the Station, would feel obliged for information on the subject.

(Forwards correspondence for persual, to be returned.)

No. 472.

The undersigned has the honor to return the document as per margin, and in reply to No. 488 of the 25th instant, to annex the copy of a letter from the Commissioner to the Major General Commanding, which contains the requisite information.

Depty. Asst. Qr. Mr. Genl. Mysore Div.

From the Commissioner of Mysore, Bangalore, 25th September 1865, General No. 2677, Military " 38; to the Officer Commanding Mysore Division.

In reply to your letter No. 312, dated the 15th instant, I have the honor to state that it appears to me preferable that the Cemetery should be available for all classes, and for all denominations of Christians. Should this view be concurred in, I consider that a moiety of the outlay may legitimately be charged to the Mysore Government, under existing circumstances.

2. I would suggest the separation of the enclosure into two parts, one for Protestants the other for Catholics, as I apprehend that the Catholic burial-ground at Shoolay should be closed also.

3. The enclosure of your letter is herewith returned.

From the Deputy Assistant Quarter Master General, Mysore Division, Bangalore, 27th September 1865, No. 474; to the Executive Engineer, Bangalore.

In continuation of this Office memorandum, No. 472 of yesterday's date, intimates the full concurrences of the Major General Commanding the Division, in the suggestion conveyed by the Commissioner of Mysore in his letter (a copy of which was annexed.)
