MILITARY DEPARTMENT.  
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Quarter Master General, Head Quarters, Ootacamund, 4th October 1865,  
No. <sup>631</sup>/<sub>9744</sub>; to the Secretary to Government, Military Department, Fort Saint  
George.

For many years past, the Artillery at Cuttack, has suffered much inconveni-  
ence, and the public service some hazard, in consequence of the separation of the  
men and Bullocks from their Guns.

2. The enclosed sketch will exhibit how the case stands.

3. The late Commander-in-Chief when at Cuttack, investigated the merits of  
the two propositions, of moving the men and Bullocks to the Guns in the disman-  
tled Fort in the Cantonment, or the removal of the Guns to the men and Bullocks.  
The latter is in every way preferable, the site of the same being better than that  
of the Fort.

4. But the change will be at the expense of some buildings, and it has been  
ascertained that the following will be required for the new site.

|                           |        |              |
|---------------------------|--------|--------------|
| An expense Magazine.....  | Rupees | 858          |
| Store and Guard-room..... | "      | 932          |
| Gun-shed.....             | "      | 1,849        |
|                           | "      | <u>3,639</u> |

The present Magazine in the Fort will still serve as a Reserve Magazine for the  
Infantry and Artillery.

5. His Excellency the Commander-in-Chief recommends that the buildings  
be sanctioned at once, if possible, and if not, that the sums be entered in the next  
Budget. The latter course will result probably in its being, with other minor  
works, removed from the Budget as beyond the limits of pecuniary possibility.

ORDER, No. 3938, 23rd October 1865.

Forwarded for the consideration and orders of the Government of India.
