*Proceedings of the Madras Government, Revenue Department,
25th October 1865.*

No. 493. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Coonoor, 19th October 1865, No. 157 :—

Under the circumstances reported in the accompanying copy of a letter from the Sub-Engineer in charge of South Wynad Range, I have the honor to request that the Conservator of Forests may be instructed to cause arrangements to be made for delivery of seasoned Teak timber, as per duplicate Indents herewith forwarded, at Tippakadoo, or between that place and Goodaloor, as may be most convenient to that Department, which already arranges for delivery of timber required for Public Works at Ootacamund.

Enclosures 2.

From the Sub-Engineer, South Wynad Range, to the Superintending Engineer, 7th Division, dated Guddaloor, 8th October 1865, No. 109.

1. I applied to Major Morgan, Deputy Conservator of Forests, a short time ago for the seasoned Teak timber required for the large trussed bridges to be built in this Range. Major Morgan informed me that he could not undertake to cut the timber, but he authorized me to remove it from the Depôt at Mudumulla. I sent Mr. Browning to mark off the logs required, and to make arrangements for having them removed to the works. Mr. Browning could find no timber at Mudumulla of the required dimensions, and the Manager of the Depôt referred him to another part of the jungles, nine or ten miles from Mudumulla.

2. The Commander-in-Chief has lately ordered the elephants attached to this Range to be sent to Cannanore at once, and I have now no means of getting the wood out of the jungles. I therefore request that, as Major Morgan has an organized establishment, you will ask him to deliver the wood as per enclosed Memorandum, at least as far as Tippakadu, and I will endeavor to remove it to the works from there.

3. It is of great importance that there should be no delay in the delivery of the wood, or I am much afraid another year will pass away without having the permanent superstructure of the large bridges on the Tippakadu and Karkur line of road, completed.

(True Copy.)

(Signed) G. W. WALKER, Lieut.-Colonel, R. E.,
Superintending Engineer, 7th Division.

Referred to the Revenue Department, with a view to the issue of the necessary orders to the Conservator of Forests.

FORT SAINT GEORGE,
23rd October 1865.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

No. 494.

ORDER THEREON, 25th October 1865, No. 2,619.

Forests, No. 16.

Forwarded to the Conservator of Forests for early report.

(True Extract.)

J. Erle.

Acting Under Secretary to Government.

To the Officiating Conservator of Forests.
,, the Public Works Department.
Exd. S. T. Augustin.
