No. 1. Read the following Endorsement of the Controller of Public Works Accounts, dated Madras, 23rd October 1865, No. 1,718 :—

Read the following letter from the Assistant Engineer of No. 3 Polachee Range, Coimbatore, to the Deputy Controller of Public Works Accounts, dated Camp, Coimbatore, 18th October 1865, No. 28.

1. With reference to your Memorandum No. , dated 27th September 1865, which accompanied the Salaries' Bill of the Polachee Range (No. III.) of Coimbatore District, and in which you disallowed my claim to acting allowance at the rate of 150 Rupees per mensem, from 1st March to 17th April 1865, I beg to state that the above claim was based on paragraph 5 of Standing Orders of Government of India, No. 11 of 1865.

2. I have, therefore, the honor to request that you will re-consider the matter, as I cannot help thinking that my case comes under the operation of that order. I was at that time holding no substantive appointment, and am, therefore, as I interpret the above orders, entitled to 50

per cent. on the average of the consolidated salaries of all the grades in class of Assistant Engineers.*

3. Under the former organization of the Department Public Works there were three grades :—

	rs.
1st. Class Assistant Engineer drawing ...	500
2nd. Do. do. do. ...	300
3rd. Do. do. do. ...	250
Total..	1,050
Average...	350

50 per cent. on do.... 175

but this being higher than the full pay to which I would have been entitled had I been confirmed in my appointment, I have only drawn at the rate of Rupees 150 per mensem. Since 1st May 1865 there have been only two grades of Assistant Engineers, viz. :—

	rs.
1st. Assistant Engineer drawing ...	350
2nd. Do. do. do. ...	250
Total...	600
Average..	300

50 per cent. on do. ... 150

at which rate I have drawn from 1st March, the date from which the Standing Orders quoted are to take effect, to 17th April 1865, the date on which I commenced to draw full pay of my appointment.

4. I have, therefore, the honor to forward herewith an abstract of arrears of pay due from 1st March to 17th April 1865, at Rupees 150 per mensem.
