MADRAS RECORD OFFICE.

Government of Madras.

Public works DEPARTMENT.

G.O. No. 3290.	Press Mis.
18-19	
Dated 1-11-	1845.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
1st November 1865.*

No. 18. Read the following letter from the Consulting Engineer for Irrigation and Canal Company, to the Secretary to Government, Department of Public Works, dated Camp, Chickarpoor, 18th October 1865, No. 103 :—

1. In acknowledging the receipt of the Order of Government No. 2,979 of the 9th instant, I have the honor to report that there are no works of construction in progress below the 9th Section of the Canal, and that the sanctions for this last section were cancelled, in the Order of

No. 1,900, dated 6th July 1865.

Government as per margin, at the request

of the Agent and Manager, so that the constructive works are confined to the first eight sections of the canal.

2. In the Bellary Division and also in Nellore surveys, or the marking out of the lines already surveyed, are still in progress. In Cuddapah all the out-door work of this description has been completed.

No. 979, dated 10th April 1865.

* Letter No. 249, dated 28th April 1865.

might result from the immediate adoption of such a course, permission was given† for the prosecution of these in-

vestigations to such an extent as might be found really necessary.

4. In the revised scale of Establishment approved by Government in their Order No. 2,374, of the 16th of August last, provision was made for the survey and other preliminary work to be done in Nellore, and this work cannot be completed without some expenditure for trial pits and line marking and, as in the case of the Bellary Division, for similar work in

‡ Proceedings Madras Government, No. 2,131, dated 24th July 1865.

which provision has already been made,‡ it was considered expedient to bring the

expenditure made regularly to account than could be done were it included in the ordinary Bills of Contingent expenditure, and therefore an application for a separate sanction was made.

No. 789, 2nd instant.

I learn that the Establishment in the Pennair Division, which now includes Nellore and Cuddapah, has been reduced§ to one

Consulting Engineer
To: The Secretary to Government.
Department of Public Works.

Sir,

In acknowledging the receipt of the order of Government N: 2979 of the 9th instant, I have the honor to report that there are no works of construction in progress below the 9th Section of the Canal, and that the sanctions for this last section were cancelled, in the order of Government as per margin, at the request of the Agent and Manager, so that the constructive works are confined to the first eight sections of the Canal.

2. In the Bellary Division and also in Dillow, surveys, or the marking out of the lines already surveyed, are still in progress. In Chiddaph all the out door work of this description has been completed.

3. In their order marginally noted the Government desired the discontinuance of the surveys, but, on its being pointed out that much inconvenience might result from the immediate adoption of such a course, permission was given for the prosecution of these investigations to such an extent as might be found really necessary.

4. In the revised scale of Establishment approved by Government in their order N: 2374 of the 16th of August last, provision was made for the survey and other preliminary work to be done in Dillow, and this work cannot be completed without some expenditure for
