No. 107. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Department Public Works, dated Madras, 3rd November 1865, No. 1,851 :—

1. In reply to the Official Memorandum of the Secretary to Government, Department Public Works, dated the 31st ultimo, No. 219, I have the honor to state that I have not received a single estimate from any of the Superintending Engineers of the Establishment to be provided for in next year's Budget.

2. The Budget estimates for 1864-65 and 1865-66 were sent from this Office, on the 5th January 1864 and 10th January 1865, and for both these years local estimates were rendered to this office.

Nos. 2,161 and 2,138.

For the ensuing year it is particularly necessary that detailed local estimates should be rendered in order that Petty and Conservancy Establishments, &c., should be provided for correctly, which does not appear in the Budget estimate of the current year.

3. Paragraph 4 of G. O. dated 23rd November 1834, requires the Local Budgets to be submitted in sufficient time to admit of the General Budget being despatched so as to reach Calcutta on the 1st February, but no date is fixed for the despatch of the Local Budget. I beg that information on this point may be communicated in order to a Circular being addressed to Superintending Engineers.
