*Proceedings of the Madras Government, Public Works Department,
8th November 1865.*

No. 124. Read the following Endorsement of the Under Secretary to Government, in charge of the Consulting Engineer's Office, dated Madras, 25th October 1865, No. 523.

Read the following letter from the Agent and Manager of the Madras Railway Company, to the Under Secretary to Government, in charge of the Consulting Engineer's Office, dated Madras, 24th October 1865, No. 748 :—

* Letter No. 444, October 23rd 1865. As I learn* from the Traffic Manager that Scavengers cannot be engaged at the stations on the North-West Line, north of Tripetty, for the pay which has been sanctioned, I have the honor to apply for the authority of Government to disburse wages to men of this class, at the rate of 6 Rupees per mensem, when necessary.

1. There are six stations beyond Tripetty, at the first five there is only one Sweeper at each, and at the last, or Cuddapah station, there are two Sweepers.

2. The sanction accorded in Order of the 7th instant, No. 2,605, includes seven Sweepers at Rupees 5 each per mensem; but under the circumstances represented by the Traffic Manager, I would recommend that sanction be granted for an additional Rupee being paid, when necessary, to each of the seven Sweepers.

3. This will increase the amount sanctioned in the order above quoted from Rupees 2,715 to Rupees 2,722.
