Read the following letters :—

No. 129. From the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Melúr, 23rd October 1865, No. 1,389.

The Government having been pleased in Order No. 3,082, 17th instant, to sanction the estimate for the road from Pareacolum to Pullaputty, in the Madura District, I have the honor to request permission to expend Rupees 1,270-8-8, balance of previous year's Income Tax fund, on this work, for which purpose it was originally reserved. See G. O. 2,752, 21st September 1864.

No. 130. From the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 25th October 1865, No. 1,412.

1. I have the honor to request the grant of Rupees 250 from Reserve Funds, to enable me to roll and complete a part of the new road from Palamcottah to Tuticorin, for which an estimate was sanctioned in G. O. No. 3,733 of 17th December 1863, but for which no funds have been allotted this year.

2. This piece of road was newly gravelled last year, but for want of rain could not be rolled, the traffic has lately increased considerably, as the cart drivers have found the advantage of using the new instead of the old line.

3. Rupees 9,132 were allotted in the Budget for this road, but the expenditure was stopped under G. O. No. 533 of 24th February 1865, if more than the small amount now requested can be granted, it can be advantageously laid out on this very important line.

No. 131. ORDER THEREON, 8th November 1865, No. 3,344.

ACCOUNT, No. 13.

1. The estimate for the road from Pareacolum to Pullaputty has been sanctioned for entry in the Local Fund Budget.

2. No provision having been made for the road from Palamcottah to Tuticorin, the Government authorize the expenditure on this line of the sum of Rupees 1,270-8-8, reported to be available from previous years' Income tax grants for the Madura District.

3. ^{Colonel}~~Captain~~ Moberly will explain why this available balance was not brought forward in the statement recorded in G. O. No. 2,297, dated 9th August 1865.
