*Proceedings of the Madras Government, Public Works Department,
8th November 1865.*

No. 138. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated — 23rd October 1865, No. 1,399 :—

1 Plan.
1 Abstract estimate.
1 Copy of letter.

Repairs Unmetalled Roads in the 2nd Range, Madura, to Minor New Works. I enclose copy of a letter* from the Collector of Madura, from which you will see that that gentleman agrees with me as to the importance of constructing these tunnels with a view to render more serviceable the very useful line† to Dindigul.

* No. 1,748, 14th October 1865.

2. A large estimate is now in course of preparation for the making up the line from the road now making between Tirumungalam and Pulney to the Railway at Caroor, under instructions of G. O. No. 771, 20th March 1865.

3. The enclosed estimate is for petty improvements on that line, and I trust that the Government will not object to the transfer, which I would further remark is from *Repairs to New Works*, a transfer which I believe the Government of India

† *Vide* G. O. No. 2,396, dated 20th August 1864. would approve, judging from the Secretary's letter No. 531C-3,373,‡ paragraph 8.

No. 139. ORDER THEREON, 8th November 1865, No. 3,348.

ACCOUNT, No. 16.

In anticipation of the approval of the Government of India, the Governor in Council sanctions the transfer of funds recommended by the Superintending Engineer of the 8th Division. Lieutenant-Colonel Moberly will issue orders for the immediate construction of the tunnels provided for in the estimate for Rupees 1,894, submitted with his letter above recorded.
