*Proceedings of the Madras Government, Public Works Department,
8th November 1865.*

No. 151. . Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 27th October 1865, No. 1,437:—

1. I have the honor to submit, for the consideration of Government, the claim of the Writers attached to the Taluq Overseers, to travelling allowance under clause 9, paragraph XII. of the new Rules, forwarded with G. O. No. 2,458, 23rd August 1865.

2. Under the new system of accounts the work of this class of men requires their being constantly in motion, and it appears to me that they cannot come under the heading "Engaged for field duty."

3. The Controller refuses to allow any batta, on the ground that it was not entered in the Budget; but as neither these rules, nor the new system of accounts were in force when the Budget was drawn up, I submit that some arrangement should in fairness be made to compensate them for extra labor, for which the new rules apparently allow.

No. 152. . ORDER THEREON, 8th November 1865, No. 3,355.

ESTABLISHMENT, No. 13.

Vide G. O. No. 3,023, dated 19th October 1863.

It has been already ruled, that under the Orders of the Government of India, No. 534, dated 29th January 1859, Overseers' Writers are not entitled to travelling allowance, and the Government adhere to this decision, as such Clerks continue to be employed for strictly local duties, the ordinary performance of which involves a certain amount of locomotion, and belong to that class of public servants for whom no batta is authorized.
