*Proceedings of the Madras Government, Public Works Department,
11th November 1865.*

No. 220. Read the following Endorsement of the Under Secretary to Government, in charge of the Office of the Consulting Engineer for Railways, dated Madras, 1st November 1865, No. 536 :—

Read the following letter from the Agent and Manager, Madras Railway Company, to the Under Secretary to Government, in charge of the Office of the Consulting Engineer for Railways, dated Madras, 31st October 1865, No. 773.

I have the honor to annex copy of an Official Memorandum from the Deputy Inspector General of Ordnance and Magazines, No. 5,648, dated the 25th instant, and with reference thereto, beg to apply for the sanction of Government to purchase the metal component parts of two Fire Engines, the Company urgently requiring two such engines for use at their Salt Cotaour Goods Warehouse.

Official Memorandum from the Deputy Inspector General of Ordnance and Magazines, to the General Store-keeper, Madras Railway, dated Fort Saint George, 25th October 1865, No. 5,648.

Your letter dated 19th October 1865, received.

No Fire Engines can be spared, but the metal component parts of two Fire Engines of the fourth size can be supplied, to be put together by the Railway Company. The price of each is Rupees 338-5-11 a set. The sanction of Government will be necessary, as they will have to be replaced from England.

1. The necessity for these engines is very urgent, owing to the large quantities of cotton which have accumulated at the Salt Cotaour Station, and I would recommend that authority be given to the Agent and Manager to purchase them.

2. The Inspector General of Ordnance and Magazines should also be authorized to supply them.
