*Proceedings of the Madras Government, Public Works Department,
13th November 1865.*

No. 239. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 28th October 1865, No. 1,457 :—

- 1 Abstract Estimate.
- 1 Report.
- 1 Memorandum of past expenditure.

1. I have the honor to forward for sanction for entry in the ensuing year's Budget an estimate amounting to Rupees 11,700, for re-constructing, metalling and, gravelling portions of the Trunk Cotton Road from Tuticorin to Ettiapooram in the Tinnevely District, countersigned by the Collector in token of approval.

2. Most of this work was carried out by contract undertaken by Messrs. Cocq & Co. of Tuticorin in 1862, but the sudden increase of traffic, owing to the rise in price of cotton, came too heavily on the new road, which passes over heavy sand, and has damaged it severely in spite of a large outlay annually from the maintenance allowance taken from other parts of the road.

3. The 5th and 6th miles were never made before, as they passed over better soil than usual, but the heavy traffic has worked it up so much that it is necessary to cover it.

No. 240. ORDER THEREON, 13th November 1865, No. 3,398.

CIVIL WORKS, No. 37.

The Government sanction, for entry in the Budget of 1866-67, the estimate of Rupees 11,700 for the improvement of the Trunk Cotton Road from Tuticorin to Ettiapooram in the Tinnevely District.
(True Extract.)

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.

To the Superintending Engineer of the 8th Division, with Report.
.. Controller of Public Works Accounts.
