*Proceedings of the Madras Government, Public Works Department,
15th November 1865.*

No. 300. Read the following Endorsement of the Superintending Engineer, 4th Division, dated Madras, 2nd November 1865, No. 2,542:—

Read the following letter from R. F. CHISHOLM, Esq., Executive Engineer, to the Superintending Engineer, 4th Division, dated Madras, 31st October 1865, No. 35.

1. With reference to G. O. No. 209, dated the 8th August, granting me permission to entertain the Establishment noted on the margin,* I have the honor to state that the Draughtsman I have employed (Abhoy Naidoo) has been engaged since the commencement of the month in preparing tracings of the working drawings of the new Presidency College, Madras, which are now complete, and that he will probably be so employed for the next week.

* 1 Draughtsman	...	...	...	...	RS. 60
2 Lascars	...	...	...	...	12

It would be of great assistance to me if I could obtain the services of a Writer at, say, Rupees 20 per mensem, to cube quantities and fair copy papers, as well as to assist me in taking out quantities, a tedious and lengthy operation single-handed.

2. In my No. 21, dated 16th August, I stated that I should probably require the services of a Draughtsman till the 8th instant. In the course of eight or ten days I shall be prepared to take up another set of drawings, and so long as the Draughtsman is usefully employed, I think it a pity to discharge him. I beg permission, therefore, to employ him for a period of three months from the 8th instant, at the end of which period I will report again.

Submitted to Government for favorable consideration.
