No. 365. Endorsement of the Superintending Engineer, 4th Division, dated Madras, 6th November 1865, No. 2,618.

From the Honorary Secretary People's Park Committee, to the Superintending Engineer, 4th Division, dated 2nd November 1865, No. 429.

1. I have the honor, by desire of the Park Committee, to call your particular attention to the Proceedings of Government, marginally noted. The delay that has arisen in paying over the amount sanctioned therein to the Committee, has been a serious drawback on the return that might have been realized from the cultivation of hay in the Park this season.

Proceedings of Government in Public Department, Rupees 9,064.—See G. O. 9th August 1865, No. 833, copy of which was given to Colonel Boileau by Mr. Riordan.

2. The Committee were obliged to take indispensable articles as marginally noted, and inserted in the Budget Estimates for 1864-65, in anticipation of sanction, and which were approved of in Government Order dated 14th January 1865, No. 125, only for the want of funds.

* Rupees 2,978.

3. The balance due to the Contractor has not been paid* as yet, although due to him six months; this puts Contractors also to serious inconvenience, as they never receive any money until the works they have in hand is satisfactorily completed.

1. Submitted to Government, with reference to their Order No. 2,373, dated 16th August 1865, and in the hope that the Government may be able to allot Rupees 9,064 for the purposes of the Park, by transfer from other Districts, or by other means.

2. Failing to provide funds to the full extent, it seems most desirable that the debt Rupees 2,978, due to Contractors, should be paid off at once.

(Signed) A. J. M. BOILEAU, Colonel, R. E.,
Superintending Engineer, 4th Division.

As additional funds are urgently required for appropriation to Civil Works, the Consulting Engineer for the Madras Irrigation and Canal Company will be requested to report, with reference to his letter No. 105, dated 2nd instant, what further sum can be spared from the Budget allotment for lands to be taken up for the Company during the current official year.
