*Proceedings of the Madras Government, Public Works Department,
17th November 1865.*

No. 370. Read the following Circular from the Secretary to the Government of India, Public Works Department, (Military Works), to the Secretary to Government of Madras, Public Works Department, dated Simla, 18th October 1865, No. 102 :—

As several plans and estimates of barracks have lately been submitted to the Government of India, for the first time, in a complete and elaborated form, and, as in almost every case considerable alterations have been ordered, rendering both plans and estimates useless, attention is directed to Circular No. 85 of 1864, in which it is clearly laid down that, "in order to prevent unnecessary waste of time and labour in the preparation of estimates, all plans of extensive Military buildings, involving heavy estimates, shall in future be submitted, in the first instance, in the rough, for orders to the sanctioning authority, and that they shall invariably receive final approval before the details of the estimate are prepared."

No. 371. ORDER THEREON, 17th November 1865, No. 3,462.

MILITARY WORKS, No. 17.

Communicated to the Superintending Engineers for information and guidance, with reference to the Proceedings of Govern-

ment No. 125, dated 13th January 1865.
