*Proceedings of the Madras Government, Public Works Department,
17th November 1865.*

No. 379. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 3rd November 1865, No. 1,544:—

1. I have the honor to submit a bill for travelling allowance to two members of my Office, transferred in consequence of the change in arrangements as to accounts, &c., from the Range Officers.

Enclosure 1.

2. It appears to me that they come under the provision of Rule 9, published in G. O. No. 2,458 of 23rd August 1865, but the Controller declines to pass the allowance, the reason given is that this rule only applies to the establishment of Superintending Engineer and Range Officer when absent on tours from their fixed station, but these men were actually in Government employ while *en route*, received their pay as such, and belonged to one office or another, depending only on the point whether their new grade commenced from date of order giving effect to the change or date of joining.

3. The Controller having refused to forward the appeal, I am obliged to do it direct.

No. 380. ORDER THEREON, 17th November 1865, No. 3,467.

ESTABLISHMENT, No.33.

There appears to be no rule under which the Clerks referred to in the above letter can claim travelling batta while *en route* to join the situations to which they were appointed, on their being relieved from their duties in the Superintending Engineer's Office, but the Government are of opinion that they are fairly entitled to the usual batta of three-tenths of their salaries, and the Controller of Public Works Accounts is accordingly authorized to pass the bill submitted by the Superintending Engineer of the 8th Division.

Sir

I have the honor to submit a bill for
travelling allowances to 2 members of my office
transferred in consequence of the change in arrang-
ments as to accounts from the range officers.

It appears to me that they came under
the provision of Rule 9 published in G. O. N^o 2658
of 23rd August 1865 but the Controller declines to
pay the allowance - the reason given is that this
rule only applies to the establishment of Sup^d Engrs
and Range Officer when absent on leave from their
fixed station. but these men were actually in
Government employ while enroute received their
pay as such and belonged to one office or another
depending only on the point whether their new grade
commenced from date of order giving effect to the
change or date of joining.

The Controller having refused to forward
the appeal I am obliged to do it direct.

Yours faithfully

F. Moberly Lieut Col R. E.
