No. 203. Read the following Proceedings of the Board of Revenue, dated 27th October 1865, No. 6,923.

Read the following letter from the Collector of Tanjore, to the Acting Secretary to the Board of Revenue, dated 14th October 1865, No. 341 :—

1. I have the honor to submit, for the sanction of Government, an estimate, amounting to Rupees 6,010, for forming a cross-road branching from road No. 18 at the Mulliar head, and joining road 35. This road is entered in No. 64, in Part I. of the printed Budget of the District Road Fund for the current year, with an estimate of Rupees 1,300. To this must be added the sum of Rupees 500, which the Mirassidars interested have agreed to contribute, thus making the total estimate amount to Rupees 1,800.

2. When this work was originally proposed, it was merely intended to expend the above-said sum of Rupees 1,800 in forming a bandy track, in view to opening up a part of the Mannargudi Talook; but the present Superintending Engineer, in sending the enlarged estimate for Rupees 6,010, suggests that, as the road will prove a very useful one, Rupees 1,800 should be expended this year, and the balance be provided in future years. I accordingly propose to enter in the Budget for 1866-67 the balance of the estimate, or Rupees 4,210, for expenditure in that year.

3. It may not be out of place also to state that the Mirassidars have already laid out Rupees 650 in forming this track.

ENCLOSURE No. 1.—Estimate.

Under the circumstances reported by Mr. Morris, the estimate will be submitted for the sanction of Government.
