*Proceedings of the Madras Government, Revenue Department,

No. 341. Read the following Petition from the inhabitants of Aska, to His Excellency Sir W. T. DENISON, K. C. B., Governor of Madras, &c., &c., &c., dated Aska, 6th February 1865:—

HUMBLY SHEWETH,

1. We, the undersigned inhabitants of Aska, beg most respectfully to approach your Excellency, and in doing so, hail with pleasure your illustrious visit to Aska, and crave, in availing ourselves of this opportunity, to make known our grievances; and humbly hope your Excellency will take our earnest appeal into your benign consideration, and weighing the importance of our solicitation, be pleased to sanction our humble request.

2. Permit us respectfully to state that the road which runs along the northern wall of the Factory into the town of Aska, is in a ruined and deplorable state, entirely unfit for foot passengers or traffic traversing on it, at any season of the year. More especially in the monsoon, when it is in fact nothing but a pool of mire and filth.

3. This matter has often been brought forward to the notice of the authorities, but of no avail.

4. Under these circumstances, we humbly request your Excellency will take our deplorable state into mature deliberation, and issue such effectual orders which may tend to ameliorate our sad condition, and be attended with beneficial results, for which act of philanthropy, we, the humble inhabitants, will ever pray for your Excellency's and family's welfare and prosperity.

No. 342. ORDER THEREON, 17th February 1865, No. 349.

Miscellaneous.

The Governor in Council has much pleasure in sanctioning a grant, not exceeding Rupees 1,000, for the purpose stated, provided the residents raise an equal amount. The Government grant will be regulated according to the local subscription.
