*Proceedings of the Madras Government, Revenue Department,
17th February 1865.*

No. 343. Read the following Proceedings of the Board of Revenue, dated 31st January 1865, No. 515.

Read the following letter from J. W. B. DYKES, Esq., Collector of Nellore, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 17th December 1864, No. 391 :—

SIR,

1. I have the honor to acknowledge the receipt of Board's Proceedings, No. 7,167, and state that the Blacksmith on learning the Board's orders, has agreed to take the money paid elsewhere.

2. I am stamping the value on each measure, which is perhaps the reason why a higher rate has been asked in this District than others.

3. And I learn that the man remains, because he gains on the adjustment of the measures.

4. In conclusion, I have the honor to request the Board's sanction for paying the establishment up to 1st November, at the rates originally proposed, and as shewn below. The payment is only for working days for the Blacksmith, and the total amount falls short of what would be due under the sanctioned rates.
