No. 532. Read the following letter from the Superintending Engineer, 2nd Division, to the Secretary to Government, Department Public Works, dated Camp at Bazoarah, 15th November 1865, No. 108:—

1. Referring to the Orders of Government marginally noted, declining to sanction travelling batta to the Writers of Taluq Overseers, I very respectfully beg again to bring the matter under consideration.

No. 3,023, dated 19th October 1863.
No. 1,809, „ 22nd June 1864.

2. To keep with accuracy the accounts, now required by Section I. of the Manual, from Taluq Overseers, men of superior abilities as their Accountants are needed, but to these men the small pay of Rupees 15 only (the same as the pay of the lowest Writer in a 3rd class Range Office) is allowed. They have, in most cases, necessarily to travel about a great deal with the Overseers, and their expenses during the month on this account are, in proportion to their pay, very heavy. But according to the above orders, whilst inferior men on higher pay are permitted to draw three-tenths of their pay whilst travelling, they receive nothing to recompense them for their outlay.

3. I think the case is so plain, that I am sanguine that Government will provide for them in the Budget Estimate for 1866-67.

No. 533. ORDER THEREON, 22nd November 1865, No. 3,536.

ESTABLISHMENT, No. 50.

Recorded, with reference to the Orders communicated in the Proceedings of Government No. 3,355, dated 8th November 1865.
