No. 563. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Luckady, 10th November 1865, No. 175 :—

I have the honor to request that the accompanying estimate of Rupees 250 for tools required in Errode Range, be provided for from such funds as the Government may have at their disposal. As stated in my letter printed with G. O. No. 2,812 of 22nd September 1865, the jumpers can be procured of more satisfactory pattern and quality in the local market than from the Government Stores. They have accordingly been ordered in anticipation of the orders of Government.
