The humble Memorial of

M. Yagambara Sanku late

Taluk Overseer D. P. W. Madurai.

May it please Your Lordship.

1. That your Lordship's Memorialist being dissatisfied with the unfavorable decision of the Madras Government declining to restore him to his post from which he was very unjustly and unmercifully removed on no proper grounds whatever by the Superintending Engineer of the 8th Division most respectfully begs leave to submit the following circumstances for your Lordship's gracious consideration with the ardent hope of having his grievances redressed.

2. That the ungrounded charge of "Breach of Trust" preferred against your Lordship's Memorialist by Lieut. Cunningham of D. P. W. was after full enquiry refuted before the Court where he was tried and the Memorialist was consequently acquitted with the declaration that the Court finds that the Memorialist is not

not guilty of the charge preferred against him.

3. That your Lordship's Memorialist deeply regrets to state, that he was, without any regard to the nature of the decision passed in his favor, and the zealous and faithful services rendered by the Memorialist in the D. P. W. for a period of more than 15 years, arbitrarily dismissed from the Public Service by Captain Moberly, Superintending Engineer of the 8th Division. The Memorialist has thus been made a victim to the displeasure of the above Officer, owing to the Memorialist having refused to continue supplying that officer with the articles required for his own use, as the Memorialist found that he was thereby running into debt.

4. That your Lordship's Memorialist most humbly begs to assure your Lordship that no blame whatever can be attached to him in his Public or Private Capacity. That the fault if any can only be attributed to the Contractors, who to avoid their sustaining loss and the difficulty of obtaining materials by the effects of the inclemency of the Weather refrained commencing their respective works.

5. That your Lordship's Memorialist begs to state, that he served the Government in the D. P. W. for more than a period of 15 years and has received the flattering
Certificate

Certificates from his Superiors regarding his merit and integrity. And the Memorialist has in his Petition to Government fully stated his reasons for having himself restored to his post.

6. Under these circumstances your Lordship's Memorialist most respectfully solicits that your Lordship will be pleased to peruse the above circumstances as well as the Petition to Government with all its enclosures herewith submitted and taking into consideration the arbitrary manner in which he was dismissed after a faithful service of more than 15 years, entitling the Memorialist to an third pension, and prays that your Lordship will be graciously pleased to issue orders for his restoration to his post.

7. For which act of justice and benevolence, your Lordship's Memorialist shall as in duty bound ever pray.
