Proceedings of the Madras Government. Public Works Department,
21st November 1865.

No. 596. Read the following letter from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 21st November 1865, No. 2,122 :—

1. With reference to G. O. No 3,431, dated 15th instant, I have the honor to inform you that I have applied to the Accountant General here for a revised estimate of Public Works Revenue to be realized in the Civil Department, on receipt of which the estimate for the Government of India will be prepared and submitted. There is no data in this Office to form an estimate of toll collections on canals, as such receipts are realized in the Civil Department. With reference to the Revenue Department Proceedings, No. 2,711, dated 7th instant, I have to observe that in Public Works Proceedings, No. 3,301, dated 2nd instant, it was shown that the tolls collected from the Godavery canals, maintained from *Imperial Funds*, are credited to *Local Funds*. In my letter of the 25th July 1865, No. 809, it was brought to the notice of Government that the tolls from the Godavery canals, *as well as from the Kistna*, likewise maintained from *Imperial Funds*, were directed by the Accountant General here to be credited to *Local Funds*. It is likely, therefore, there may be other such cases of which the Revenue Department are not aware. Canals also exist in the Western Districts of this Presidency, but how the revenue therefrom is accounted for I cannot learn.

2. I bring the above circumstances to the notice of Government, as it is probable that some delay may take place in arriving at an estimate of Public Works Revenue to be realized in the Civil Department.

No. 597. ORDER THEREON, 24th November 1865, No. 3,567.

ACCOUNT, No. 65.
