*Proceedings of the Madras Government, Public Works Department,
24th November 1865.*

No. 600. Read the following letter from the Postmaster General, Madras, to the Secretary to Government, Public Works Department, dated Madras, 16th November 1865, No. 5,814:—

1. I have the honor to request that Government will be pleased to provide the amount of the estimate for the construction of the Post Office at Nundial, sanctioned in Government Order No. 3,691, dated 23rd December 1864, with a view to the work being undertaken at once if possible, as the building in which the Post Office is now held is in an untenable condition, and no other building whatever is procurable on rent.

2. In my letter, No. 4,894, dated 11th ultimo, I reported that the building sanctioned for Wellington Post Office is, in consequence of certain alterations in the road establishment between Pothanore and Ootacamund, now unnecessary, and in now bringing to notice that the building for Coonoor Post Office, sanctioned in Government Order, No. 1,775, dated 18th June 1864, is also for the same reason, not now required; I beg to suggest that any funds which may have been allotted for these two buildings may be transferred for that at Nundial.
