MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Principal Inspector General Medical Department, Fort Saint George,
27th October 1865, No. 333; to the Secretary to Government, Military Dept.

I have the honor to submit herewith fifty printed copies of the valuable Meteorological Report of the station of Secunderabad, and a colored diagram drawn up by Dr. W. A. Smith, of the Madras Medical Establishment.

2. Dr. Smith has provided, at his own expense, the necessary instruments for recording Meteorological phenomena, and having personally registered the numerous observations on which the report is founded, I trust that his activity and zeal, in the prosecution of a most useful branch of scientific inquiry, will be considered to merit the commendation of His Excellency the Governor in Council.

3. I would suggest that copies of the report should be forwarded to the Home Government, for communication to Mr. Glaisher and other leading Meteorologists, as well as to the Governments of Bengal and Bombay.

ORDER, No. 4263, 13th November 1865.

Ordered that twenty-five copies of the report on the Meteorology of Secunderabad be forwarded to the Secretary of State for India, and six copies be forwarded to the Governments of Bengal and Bombay respectively.

2. Thirty-seven copies of the colored diagram will be lithographed under the orders of the Public Works Department, for transmission with the reports.

To the Secy. to the Govt. of India, Mily. Dept. | Here enter 17th November 1865, No. 4264.

„ „ *Bombay,* „ | „ „ 17th „ „ „ 4265.

(True Extract.)
