Dated 27/11/1865	

Not to be folded or roughly handled

**Proceedings of the Madras Government, Public Works Department,
27th November 1865.**

Read the following papers :-

No. 628. From the Superintending Engineer, 8th Division, to the Secretary to Government, Department Public Works, dated Madura, 2nd November 1865, No. 1,513.

1 Estimate.

* No. 2,536, 31st August 1865.

1. I have the honor to forward an estimate for petty Establishment on the road from Yettival to Morekolam, the Order* for the construction of which was not expected by me.

2. I beg to observe that all my calculations of petty Establishment have been to suit the ordinary requirements of the Division ; in case of any sudden addition of funds, allowing of a more liberal execution of the numerous works for which I have submitted estimates, I should have to apply for further allotment for my petty Establishment. I cannot find any instructions to guide me in such case ; formerly these entries were made in the estimate, so that the two were sanctioned together ; it would be very bad economy to apply for more men in anticipation, but I see no alternative if we are to be limited by the statement.

Referred to the Controller of Public Works Accounts for report.
