Proceedings of the Board of Revenue,
dated 21st November 1865.

Board Proceedings of the Madras Govern-
ment, Revenue Department, dated 13th November
1865 No 2743.

The Board observe that upto 1863/64
no tolls of the kind referred to were credited
to Local Funds as stated in the Proceedings
dated 3rd November 1865, but on now referring
to Local Fund Statements of the Godavary
and Nizamat Districts, it is found that per-
-ceipts on account of Licence fees levied
on Boats were credited to the "District Road
Fund" in 1864/65. This appears to have been
done with reference to the Proceedings of the
Government of India in the Financial
Department dated 28th January 1864 Com-
-municated to the Collectors by the Accountant
General. The Board regret that the precise
nature of these entries escaped their notice
when replying to the Government Order dated
19th October 1865 No 2556.

Godavary - 25643-11-11
Nizamat - 5562-5-8

2. The Board presume from the orders passed in the Public Works Department that the management of the Southern Canal will now be vested in the Public Works Department and that the Superintending Engineer will submit the tabular statement of establishments. It will be remembered that the Canal has only lately been transferred to the Collector.

meet that objection this Government
called for reports from the Superintend-
ing Engineers as to what Establish-
ments can be placed under the Re-
venue Officers so that their charges
might be debited to the Revenue Bud-
get according to the rule laid down
in the Financial letter above quoted
vizt. that the Department which ex-
ercises supervision over the Establish-
ments is chargeable with their cost.

The result of this reference is made
known in Proceedings Public Works (Depart-
ment) N^o 3479 dated 18th Instant under which
the Establishments in the Districts manni-
ally noted are transferred to the Re-
venue Budget from the commencement
of the next official year.

The same rule under which
these transfers have been carried out also
requires other Establishments to be
similarly transferred. I refer to the
Acheenes Canal Establishment, which
is the very first detailed in the List fur-
nished to the Government of India by
the Revenue Secretary to Government
vide Public Works S.O. N^o 298 dated 28th
January

Vizagapatam
Madurai
Tinnevely
Malabar

January 1864; this Establishment is
entirely under the orders of the Collector
of Madras while the charges are de-
frayed by debited to the Public Works
Department. The next is the Southern
Canal, which the Collector of Madras re-
ports having taken charge of, the cost
of the Establishment for which should
under the rule in question, be debited
to the Revenue, and not to the Public Works
Department, as ordered in para 2 of
G.O. Public Works (Department) N^o 3301
dated 2nd November 1865. Should there be
any more such Establishments paid by
the Public Works (Department) but under
the orders of the Revenue Department
they too should be transferred to the
Budget of the latter Department. If
the rule is to be applied, it should have
a general and not a partial applica-
tion.

This reference is also made
in connection with the Budget of Estab-
lishments (part IV) to be prepared
and submitted from this office, in
which all Vicarious and (on ser-
vancy) Establishments not transferred
to the Collectors (Department) are to be
brought

brought as Public Works charges, and
will thus augment the amount de-
bitable to "Establishments".

N. 21st Nov/65

With reference to the
 letter from the Controller
 of Public Works account
 above recorded, His Ex-
 cellency the Governor in
 Council is pleased to
 direct that the establish-
 ment for the collection
 of tolls on the Southern
 Canal shall continue
 under the orders of the
 Collector of Madras,
 and, with reference to
 the orders marginally

noted, that its cost, as well as that of the establishment employed for the collection of tolls on the Northern Canal, be debited to the Revenue Department in accordance with the principle which has been laid down by the Government of India in their Financial Secretary's Letter No. 1753, of 31st March 1865, that the Department which exercises control over an establishment is chargeable with its cost.

These two Canals, and those on the Godavari and Krishna Districts, which are referred to in G.O. No. 3301 of the 2nd Novr 1865, having been made and

15
maintained from Imperial Funds, the proceeds of the licence fees and tolls collected upon them will be credited to Imperial Revenue, under the head Public Works.
