*Proceedings of the Madras Government, Educational Department,
22nd November 1865.*

No. 60. Read the following letter from the Director of Public Instruction, to the Chief Secretary to Government, Fort Saint George; dated Madras, 16th November 1865, No. 2410.

I have the honor to submit the papers marginally noted, and to request that sanction may be given for the repair of the Taluq School-house at Dindigul, at a total estimated cost of Rupees 285.

Letter from the Superintending Engineer, 8th Division, to the Director of Public Instruction, dated 7th November 1865, No. 1382.

Letter from the Assistant Executive Engineer, 2nd Range, to the Superintending Engineer, 8th Division, dated 3rd November 1865, No. 242, with two Estimates.

2. It is to be observed that in the estimate the re-flooring of the school-house is termed a new work; I presume, however, that it should be classed under repairs. Taking this to be the case, I beg to observe that the sum of Rupees 250 has been provided for the work in this year's Budget; the excess will have to be met from savings on other heads.

3. As the Department of Public Works is to execute the repairs, while the Building Budget was drawn up on the principle that the work should be done by other agency, I presume the Accountant General will have to place the necessary funds at the disposal of the Superintending Engineer, 8th Division.

No. 61. ORDER TURELON, 22nd November 1865, No. 334.

The Governor in Council sanctions the repair of the Taluq School-house referred to, at the estimated cost of Rupees (235) two hundred and eighty-five. The Accountant General will place the necessary funds at the disposal of the Superintending Engineer, 8th Division.
