*Proceedings of the Madras Government, Public Works Department,
1st December 1865.*

No. 5. Read the following letter from the Acting Superintending Engineer, 6th Division, to the Secretary to Government, Department Public Works, dated Tanjore, 18th November 1865, No. 1,415:—

1. I have the honor to inform you that in 1862-63, 1863-64, and 1864-65, the formation of the road from Trichinopoly to Salem, via Torriore, was carried out from Income Tax funds.

G. O. No. 1,405, dated 12th August 1866.

2. The amount of the estimate of the portion of the work in the Trichinopoly Range was Rupees 13,600, and of this sum Rupees 13,372-1-8 was expended up to the 30th April 1865.

3. In July, as Income Tax funds do not lapse at the close of the official year, Colonel Greenaway expended the balance, viz., Rupees 227-14-0, on the completion of the work.

4. In the meantime I had addressed you on the 13th July, and requested that a portion* of the balance† of Income Tax funds might be appropriated for the refund of a sum drawn by the late District Engineer on account of District Conservancy Funds which was improperly credited by him to the Income Tax fund; this transfer was sanctioned on the 26th July, and the balance available for expenditure on the Salem road was reduced to Rupees 36-7-9.

5. Colonel Greenaway, however, expended Rupees 227-14-0 on the road before the receipt of G. O. No. 2,153, and the Controller has objected to the outlay.

Under these circumstances, I have the honor to request that sanction may be granted for the appropriation of a sum of Rupees 191-6-3 from the Reserve‡ of District Road Funds for the completion of the portion of the Trichinopoly and Salem road within the limits of the Trichinopoly Taluq.

G. O. No. 1,700, 19th June 1865.

No. 6. ORDER THEREON, 1st December 1865, No. 3,634.

ACCOUNT, No. 1.
