*Proceedings of the Madras Government, Public Works Department,  
2nd December 1865.*

No. 35. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Manantoddy, 24th November 1865, No. 186 :—

As directed in paragraph 4 of Government Order, No. 2,872 of 28th September, I have the honor to explain that the idea of completing the Poongancadavoo bridge in all March and April 1864, was eventually given up, and the work was carried out from funds supplied in the following official year. This accounts for my not furnishing an explicit reply to paragraph 2 of Government Order No. 609, of 1st March 1864 ; the exact nature of the explanation called for being moreover, not very clear to me.

No. 36. ORDER THEREON, 2nd December 1865, No. 3,649.

CIVIL WORKS, No. 9. The Order of the 1st March 1864, No. 609, may be omitted from the Unanswered Reference List of the 7th Division. (True Extract.)

(Signed) CHARLES A. ORR, Colonel, R.E.,
