*Proceedings of the Madras Government, Revenue Department,
18th February 1865.*

No. 370. Read the following Proceedings of the Board of Revenue, dated 2nd February 1865, No. 541 :—

Read the following letter from G. BANBURY, Esq., Acting Collector of North Arcot, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Chittoor, 6th January 1865, No. 4.

In reply to the Board's Proceedings, dated 7th December 1864, I have the honor to propose the following establishment for the Railway Choultries.

	RS.	A.	P.
1 Sweeper and Lamp-lighter, salary	3	8	0
1 Choultry-keeper to look after the building, allot accommodation to persons arriving, and also to keep order	5	0	0
Sundry expenses such as lamp oil, thread, brooms and pots might be allowed at Rupees 2-8-0 per month.			

2. With regard to the latrines, I fear there will be some difficulty. No Native Choultries have them, and if we order accommodation of this kind to be provided, I doubt whether any one will avail himself of it. If, however, the latrines are erected, as I presume they will be, a Pariah Sweeper on 2½ Rs. must be retained. Travellers would object to his going inside the Choultry, so he could not likewise perform the duties of the Sweeper that I have already proposed to nominate, and who should I think be a Sudra, at least such would be the wishes of all travellers halting at these Choultries.

1. Ordered that the foregoing letter be submitted to Government, with reference to Government Order, No. 2,201, dated 5th December 1864.

2. The Board approve the establishment proposed by the Acting Collector, which is as follows :—

	Per mensem.
	RS. A. P.
1 Sweeper	3 8 0
1 Peon	5 0 0
1 Scavenger	2 8 0
Total...	11 0 0

3. If to the above amount be added Rupees 2-8-0 required for contingent expenses, the total monthly charge on account of each of the Choultries at Arconum, Arcot, and Vellore will be Rupees 13-8-0.

No. 371. ORDER THEREON, 18th February 1865, No. 364.

Ordered to lie over till the Chuttrums are built.
