2nd December 1865.*

No. 53. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Manantoddy, 20th November 1865, No. 180 :—

1. In reply to your Memorandum No. 230, of 14th November, I have the honor to state that I shall be unable to supply the information required until orders shall have been passed on my letter, submitting revised plans and estimates for the new Lawrence Asylum, No. 162 of 31st October.

2. Should money be required for transfer to other Military works, I may as well mention that as there does not appear to be much chance of any outlay on Item No. 11 of the Budget "New Artillery Barracks at Cannanore" this season, the unappropriated balance of its allotment of Rupees 75,000 can be made available.
